No.HO/MKTG/2018-19/ 3976

Dated :11-09-2018

:: CORRIGENDUM NOTICE ::

Following corrections/terms are added to the clause 23. TRAINING of Annexure-V on page No. 27 of the Tender Document uploaded on the e-portal of the Corporation:-

**The Officials of the Soil Testing Lab should be trained with high standard (in such a way) so that after training, the Officials (trainee) must be able to perform all the operations of equipments/instruments with taking care of all the necessary precautions to get perfect result.**

**The Officials (trainee) of the Lab should also be trained enough to do all kinds of test of various Soil samples, distillation process, and other operations etc. successfully through the use of apparatus at site. A certificate of such training should also be issued to the trainee (Lab Officials) by the successful bidder after the completion of training of Lab equipments/instruments specified in the tender.**

Other contents of Clause-23 will remain same and other terms & conditions will also remain same as uploaded on the e-portal [www.mpeproc.gov.in](http://www.mpeproc.gov.in) & [www.mpagro.org](http://www.mpagro.org) of the Corporation.
